

We are writing this letter in support of Justice of the Peace Craig Wismer who is running for re-election in the Arrowhead Justice Court.

Judge Wismer has been an excellent Justice of the Peace. Since 2012, he has exhibited tremendous judicial temperament and demonstrated his dedication to upholding the public trust

This year, Mr. Wismer has an opponent who is a disgraced ex-Justice of the Peace. Incredibly, he is the same person who was removed from this office six years ago by the Arizona Supreme Court following a decision from The Commission on Judicial Conduct. The Commission charged Mr. Woolbright with violating his constitutional oath, which forbids "conduct prejudicial to the administration of justice that brings the judicial office into disrepute."

Following the troublesome and unsettling service of the previous Justice, Mr. Wismer has not only restored order, he has also reestablished respect and credibility to the court and its judicial actions.

Justice Wismer has been representing residents throughout Peoria, Sun City and Glendale by providing fair, reasonable, and swift justice. He has all the credentials, experience, and wisdom of a distinguished Justice of the Peace.

In the last 6 years, Judge Wismer has shown the professionalism and integrity that we all need in a Judge. In our opinion, he is the only choice for the job.

We fully endorse Craig Wismer as Justice of the Peace and ask that you do the same.

Sincerely,

Cathy Carlat, Peoria Mayor
